

2018 4th International Conference on Environment and Bio-Engineering (ICEBE 2018) will be held in Meiji University, Tokyo, Japan during January 18-20, 2018. The aim of ICEBE is to present the latest research and results of scientists related to Environment and Bio-Engineering. This conference provides opportunities for delegates to exchange new ideas and application experiences face to face, to establish business or research relations as well as to find global partners for future collaboration.

Shining Points

- ✓ Accepted and registered papers can be published in the **Journal of Environmental Science and Development (IJESD, ISSN:2010-0264)** or **International Journal of Bioscience, Biochemistry and Bioinformatics (IJBBB, ISSN: 2010-3638)**
- ✓ Prof. Sung Wing Kin, Ken from National University of Singapore, Singapore and Prof. Kenta Nakai from University of Tokyo, Japan have joined as Keynote Speakers.
- ✓ One Day Visit will be arranged on January 20, 2018.

Important Dates

Paper submission (Full Paper)	Before November 10, 2017
Notification of acceptance	On November 30, 2017
Authors' Registration	Before December 20, 2017
Conference Dates	January 18-19, 2018
One Day Visit and Tour	January 20, 2018

Submission Methods

Papers can be submitted through **EasyChair System**: <http://www.easychair.org/conferences/?conf=icebe2018> (.pdf); Any inquiries about conference, please contact conference email box icebe@cbees.net.

Call for Papers

Environmental Science and Technology
 Environmental dynamics
 Bio-engineering
 Biochemical Engineering
 Atmospheric physics
 Global environmental change and ecosystems management
 Climate and climatic changes
 More topics can be found at <http://icebe.org/cfp.htm>
